

JULIAN'S

Laura Castanos, Proprietor

Indulgence is a soothing ritual for out of the box shoppers and Julian's is the perfect place to appease that appreciation for distinctive tastes and lifestyles.

The driving energy behind Julian's stems from its owner/proprietor, Laura Margosian Castanos, whose vision began with her own sense of appreciation for quality home living, and personal dedication to both family and community. Castanos says, "Fresno is all about relationships and Julian's has been successfully built from such relationships." Catering to customers who are creative, artistic, and who appreciate classic design, Julian's provides an array of stylish furnishings, gifts, and home accessories.

Julian's offers exclusive furniture designers such as Oscar de La Renta for Century Furniture, Christopher Guy, Habershaw, and Artifacts International. Artesian tabletops by Jan Barboglio, Vietri, and Arte Italia, each famed for their quality and design. Julian's carries three distinctive lines of superior bedding, which include a nursery and children's line—guaranteed to enhance any bedroom. In-house design services are also available.

When looking for fresh, new and traditional lines, Castanos carefully holds quality, elegance, sophistication, design and comfort as precedence for Julian's collections.
